STAYING POWER:

Why Your Employees Leave & How to Keep Them Longer

While some of today's workforce is made up of deep-rooted, dependable staff, a larger number of positions have become revolving doors of turnover. This session explains why we're in this challenging staffing situation and ways to slow the churn while maximizing the time you have with each employee.

Crescendo Strategies reduces unnecessary employee turnover for clients of all sizes by bridging generational gaps and making managers more effective in their roles. How can we help your organization?
